

"A Growing Foundation for a Growing Community."

Emergency Student Needs Fund: This program was created to assist Bennington Public School students in meeting urgent, immediate and basic necessities. It exists to ensure that a student's physical, social, and emotional needs do not stand in the way of their success in school. This program helps fill needs unmet by any other source. Funds may be requested by a building Principal, as needs arise. Expenditure of funds will be determined on a case by case basis in order to maintain good stewardship of the Foundation's funds as well as the confidentiality of the student.
