The BIG IDEA:

Understanding how radically serving others impacts and attracts people to the hope of the Gospel

Getting in the Word

What did Jesus say about serving in Mark 20:28? How does this help you understand if radical service is optional or commanded by God?

What does James 1:27 teach us how radical service leads to a pure and faultless faith in the eyes of God?

What is your response to the mantra: *“Every person a minister, every person a ministry.”* Do you agree or disagree with this concept and why?

Read 1 Corinthians 12:4-6, Ephesians 4:11-12, and Romans 12:6-8, what do these passages teach us about finding your place to radically serve the Kingdom of God? What do you think yours is?

The BIG Question!

How are you radically serving others in the name of Jesus Christ?

Three Things to Think About

1. Are you an “upfront” radical server?
2. Are you a “frontline” radical server?
3. Are you a “behind the scenes” radical server?
