

“Connecting People to the Transforming and Redeeming Love of Jesus Christ”

**October 1, 2017**

**Main Text-Acts 2:42-47**

**Optional Ice Breaker**

Who was your favorite teacher and why?

**The BIG IDEA:**

How to have an impactful witness for Christ by the way you live.

**Getting in the Word**

Read Hosea 4:6 and discuss how this hinders us in providing a witness for our faith in Jesus Christ. What area are you lacking in, be specific.

Read 1 Timothy 4:13-16, how does this show what a good use of our time is? Ask everyone to go through their “mental calendar” and share how they spend the majority of their time each week.

What does Deuteronomy 15:7-8 teach us about how we should use our resources in being radically relational with others? What holds you back from doing this consistently?

How does 1 Peter 4:9-10 help us understand how our homes and attitudes can be a powerful witness for our faith in Jesus Christ?

**The BIG Question!**

How can you live in a way that is powerful witness for your faith in Jesus Christ?

**Three Things to Think About**

1. Are you radically relational with God on how you spend your time?
2. Are you radically relational with your resources for the Kingdom of God?
3. Are you radically relational with others when it comes to praising God?
